## York Gardens

### 1960

York Gardens, known for many years as "Fuchsias-by-the-Sea", offers a unique display of beautiful fuchsias new and old—almost 200 varieties—in a natural setting among the Oregon coast pines. Worth seeing at any time during blooming season, the Gardens are at their best in July, August and September.

**Location** is just 2 miles south of Seal Rock, Oregon, between Newport and Waldport, on the ocean side of Coast Highway 101.

In addition to fine fuchsias, we also have, for sale at the Gardens only, many choice **Geraniums** and **Begonias**, as well as interesting and beautiful **House Plants**: succulents, cacti, ferns and flowering vines.

**Plan To Visit York Gardens This Summer!**

We Cordially Invite You.

**COLONIAL DAME** (D, semi-tr) Strong, willowy grower with full corolla of medium pink and green-tipped pink sepals.

**COQUETTE** (S, up) Very versatile small-flowered plant; bluish to purple corolla, rosy sepals. Will trail also.

**DAINTY LADY** (Semi-D, up) White corolla, red-veined, and deep red sepals; makes a good bush or a pot plant.

**DARK EYES** (1958-D, up) Deep violet petals curled and folded form distinctive corolla, with deep red sepals. Beautiful.

**DON PERALTA** (D, up or tr) Fast grower, large semi-double flowers of rose madder, dark red sepals.

**EASTER BONNET** (D, up) Dusky rose pink full corolla, ruffled and cup-shaped, with green-tipped pink sepals.

**ENCHANTED** (D, tr) Large flowers, corolla of bluish-purple overlaid with pink, sepals rose-red. Fine trailer. **Pat. 75c**

**FALLING STARS** (S, tr) Unusual coloring of scarlet sepals and deep salmon corolla makes this a unique variety.

**FANFARE** (S, up) Striking red trumpets crown this vigorous triphylla-type hybrid. Distinctive foliage, long and slim.

**FIFI** (1958-S, up) Soft lavender corolla is slim and dainty, and long white sepals are flushed pink underneath. Charming.

**FIREBALL** (D, tr) Medium purple corolla has splashes of carmine, giving changeable effect of real beauty. Red sepals.

**G. MONK** (D, up) Compact plant, blooms like mad all season. Medium flowers are deep lavender and rose-red.

**GEORGANA** (D, up) Beautiful huge double in pastel shades of soft blue, orchid and pink, with large, bright green leaves. **Pat. 75c**

**GIANT ENCHANTRESS** (D, up) Tall, fast-growing plant with deep and light rose flowers much like New Fascination. Lovely.

**GYPSY QUEEN** (D, up) Bright carmine sepals above a large rose-mauve full corolla. Popular since introduction in 1865.

**HARVEST MOON** (1958-S, tr) Flaring white corolla with red sepals gives effect of great butterflies. Heavy bloomer.

**HEIDE** (D, tr) Lovely red and orchid combination of colors, with wide-spread sepals; vigorous grower.

**HIS EXCELLENCY** (D, up) Violet corolla, white-flecked with white tube and sepals.

**INNOCENCE** (D, semi-tr) Corolla pure white, sepals white and pink-edged; early bloomer.

**JACK SHAHAN** (S, tr) Long tube and pagoda-shaped sepals of pale rose, corolla a bit deeper. Enthusiastic grower, foolproof.

**JOHNNY MARINE** (York-D, up) Tall grower, red and white double, like Mt. Hood but sepals lighter red.

**JIM FAIRCLO** (D, up) Deep red sepals and deeper corolla crown this tall, fast-growing plant, with lush foliage.

**KERNAN ROBSON** (1958-D, up) Orange-red corolla and lighter sepals are distinctive in color in this lovely fuchsia.

**KING'S RANSOM** (D, up) Contrast of white sepals and deep purple corolla gives beauty to this vigorous upright.

**LADY BETH** (1958-D, tr) Huge flower, violet-blue corolla with some petals rolled, pale rose sepals. Lovely trailer.

**LENA** (D, tr) Early to bloom, with rosy blue corolla and very pale pink sepals. Will also make good upright.

**LILAC 'N ROSE** (1958-D, tr) Clear, rosy pink rolled corolla and long white sepals combine to make a striking trailer.

**LILIBET** (D, tr) This fast grower with bright rose corolla and lighter sepals has long, graceful pointed buds.

**LORD BYRON** (S, up) Low-growing, fine for border plant; deep purple corolla, sepals bright red. Heavy bloomer.

**MANTILLA** (S, tr) Many deep carmine flowers of triphylla or "firecracker" shape; makes striking basket.

**MARDI GRAS** (1958-D, up) Bright, lively, compact flowers with dark purple corolla mottled pink, and bright red sepals.

**MARINKA** (S, tr) Gay showy plant with small all-red medium flowers and reddish foliage. Stands heat well.

**MILLIONAIRE** (D, tr) One of the largest red and deep purple trailers; rich, glowing colors.

**MISS CALIFORNIA** (Semi-D, tr) White corolla, pink veined, with pink sepals; makes lovely basket or beautiful tree.

**MISS VALLEJO** (1958-D, up) One of the largest double pinks yet introduced, can be pinched to make a basket. **Pat. 75c**

**MISSION BELLS** (S, up) Single deep purple corolla, bell-shaped, with upright bright red sepals; strong grower.

**MRS. RUNDLE**, or **ORANGE GLORY** (S, tr) Reddish orange corolla and pale salmon sepals; foliage beautiful, fast growing.

**MT. HOOD** (D, up) Tall-growing, this striking red and white variety makes a very effective standard or tree.

**NINA** (York-D, semi-tr) Corolla large double picotee flaring white with soft pink sepals; tall, arching.

**OREGON** (S, tr) Similar to America, but with lighter sepals lined with same lovely orange-red as corolla. Beautiful basket plant.

**OREGON TRAIL** (S, up) Flat, saucer-like corolla gives effect of lavender butterflies with red accents.

**OREGONIAN** (York-D, tr) A lovely, almost-white full trailer, sepals flushed pink in sun, white in shade.

**OTTO**, or **HERON** (S, up) Sturdy, tall grower of deep red and purple, covered with blossoms all season.

**PINK BALLOON** (D, up) Early and heavy bloomer, with large pink "balloon" buds that open to display fluffy white corollas.

**PINK GALORE** (1958-D, tr) The full corolla is a lovely, soft candy pink, with tube and sepals a bit deeper pink. Fine bloomer.

**PINK QUARTET** (D, up) This tall, fast-growing upright has all-pink blooms, with a "quartet" of cups in each corolla.

- PINTO (D, tr) An attractive basket fuchsia, free-flowering, with full white corolla rose-spotted like a pinto horse, and red sepals.
- PLEROMET (S, up) Corolla dark violet, opens flat much like Oregon Trail, but colors are deeper. Beautiful and unusual.
- PURPLE NIGHT (D, tr) Large double purple and white, with outer petals mottled white and pink. Sepals frosty white flushed pink.
- PURPLE SAGE (S, tr) Corolla deep purple, saucer-shaped, and sepals red and recurved. Good in heat as well as cool climate.
- RED JACKET (1958-D, tr) Really spectacular. This one has a large, fluffy white corolla and bright varnished red sepals. **Pat.** 75c
- RHAPSODY (1958-D, up) Deep royal purple corolla with rose marbeling and wide, bright red sepals, deep green foliage.
- SAN FRANCISCO (S, tr) Tube and sepals are of pale carmine, while long corolla is orange red. Makes showy basket.
- SEVENTEEN (D, up) One of the prettiest pinks, with full corolla and thick recurving petals of the same lovely shade.
- SHADY LANE (1959-D, tr) Tube and broad, recurved sepals are clear coral pink tipped green, full double corolla is lilac blue splashed with pink.
- SHARON (D, semi-tr) Rose corolla with reflexed sepals of pale scarlet; vigorous grower and early bloomer.
- SHY LADY (D, up) Lovely formal flower in delicate peach shades, with ivory white, upturned sepals.
- SKINNY (York-S, tr) A delicate but sturdy small-flowered natural trailer, with loads of little red and blue flowers.
- SLEIGH BELLS (S, up) Long, soaring white sepals above a perfect bell-shaped white corolla give this one rare beauty.
- SNOWBALL (D, up) Large white double, with long and reflexed sepals on a strong-growing upright.
- SO BIG (D, tr) Largest of the pink and white trailers, this one lives up to its name, and has real beauty besides.
- SOUTHGATE (D, semi-tr) Full corolla is light pink and well-formed, and the plant is a vigorous and bushy grower that will trail.
- STANFORD (S, up) This beautiful miniature fuchsia has masses of red and white dainty blooms and delicate, bronzy foliage.
- STRAWBERRY SUNDAE (1958-D, tr) Well-named as to corolla color, set off effectively by waxy, green-tipped ivory sepals.
- STOPLITE (Semi-D, tr) Corolla is of lively rose, with short carmine rose sepals; grows with real vigor.
- SUMMER SNOW (Semi-D, tr) Beautiful double white trailing fuchsia, with greenish cast and attractive foliage.

- SUNSHINE (S, up) Strong growing and self-branching plant covered with myriads of medium salmon-pink blooms. Makes fine standard.
- STREAMLINER (D, tr) Makes a striking basket with long, graceful flowers in shades of red, hanging on unusually long stems. **Pat. 75c**
- SWINGTIME (D, tr) Probably the outstanding favorite of the red and white trailers; gay and prolific.
- TINKERBELL (S, tr) Corolla long, veined pink, sepals spreading wide, upturned, pink. Makes showy basket.
- TREASURE (D, tr) Pale orchid corolla and light rose sepals, a beautiful pastel combination; good grower and bloomer.
- ULTRAMAR (D, up) Full, round corolla is lovely gray-blue, with wide recurved white sepals. Orchid tints as flower matures.
- VIOLET GEM (Semi-D, tr) Deep violet corolla spreads half-open, with carmine red sepals. Makes trailer, bush or tree.
- VOODOO (D, up) A strong grower of distinctive beauty, with deepest purple corolla and dark red sepals. **Pat 75c**
- WALTZ TIME (1959-D, tr) Unusually lovely double light pink trailer, with some petals folded; foliage is fine, and growth strong.
- WHITE BOUQUET (1959-D, up) Ivory-white double upright of medium size; folded, scalloped petals add to beauty. Will also trail.
- WISTERIA (Semi-D, tr) Beautiful natural trailer in pastel shades of pink and mauve; flowers unusual and graceful shape.
